## Mission & History

The Association of Academic Museums and Galleries (AAMG) is the leading professional organization for academic museums, galleries, and collections. In recognition of the unique opportunities and challenges of its constituents, AAMG establishes and supports best practices, educational activities, and professional development that enable its member organizations to fulfill their educational missions.

Organized in 1980 as the Association of College and University Museums and Galleries (ACUMG), AAMG addresses issues that are relevant and unique to galleries and collections of all disciplines, including: anthropology, art, history, natural history, and science. Issues include governance, ethics, education, exhibitions, strategic planning, administrative support, collections, and professional programs.
